A FREE FLOWING LIFESTYLE.

Rivers Edge is a new addition to the Angle Vale landscape, a premium township in the blossoming Adelaide Plains.

While its proximity to the city is noteworthy, it's a world away from the city living. The spacious block sizes, gorgeous natural surrounds, and solitude you would only find in small pockets of the city, Rivers Edge means the Australian dream is within reach, and so is everything else.

Overlooking the Gawler River, Rivers Edge encapsulates country living without the distance. Its richness of open spaces, lush surrounds, quality homes and sense of community is the perfect backdrop to reinvent your family's lifestyle.
